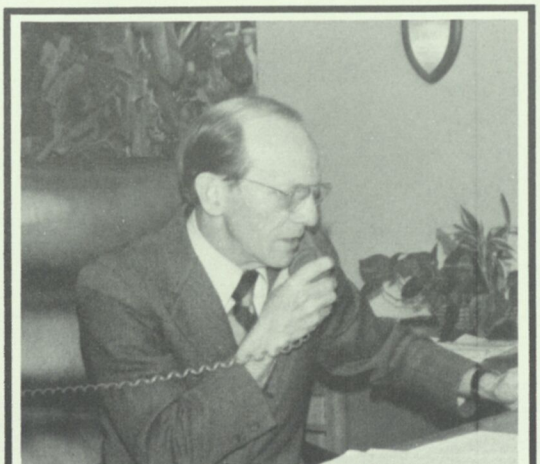
Area Health

Education Centers

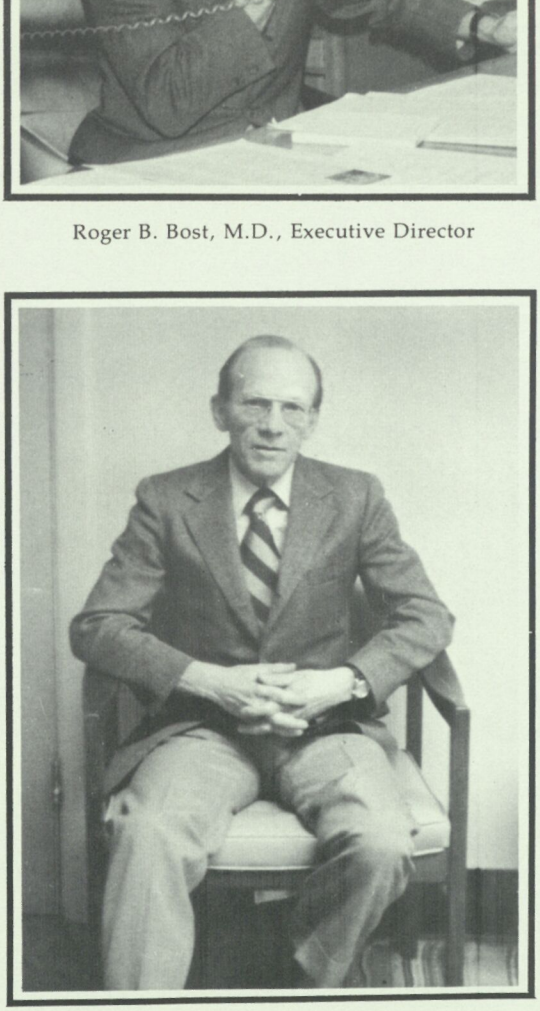


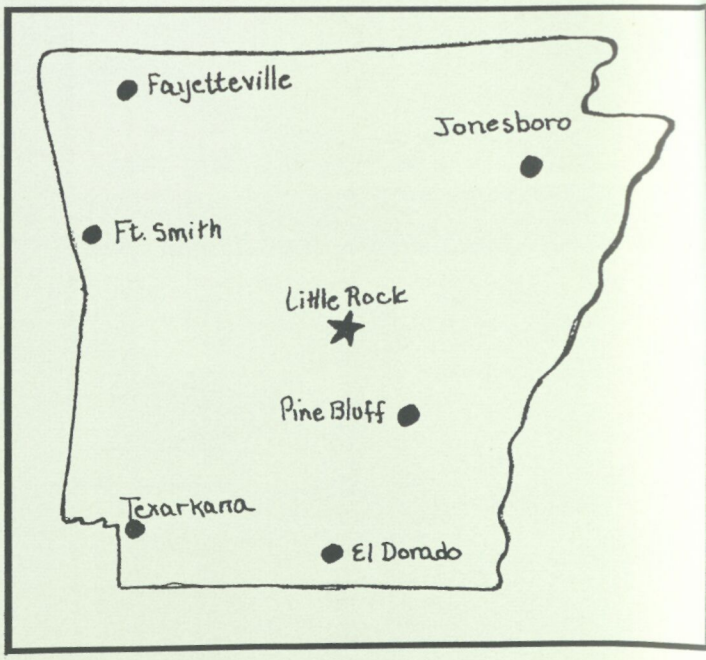
Roger B. Bost, M.D., Executive Director

The Area Health Education Center (AHEC) Program is designed to provide education and clinical training opportunities for medical and other health profession students, and formal residency training for medical communities over the state. The program is now in its fourth year, with AHECs in the following locations: El Dorado, Fayetteville-Springdale, Fort Smith, Jonesboro, Pine Bluff, and Texarkana.

The primary goal of the AHEC program is to increase the availability and improve the quality of primary medical care services to the people of Arkansas, particularly in the areas presently underserved. In pursuit of this goal, the objectives of the program are 1) affect a better distribution of physicians and other health professionals by providing for students education, clinical training, and community orientation experiences in six geographically dispersed areas of the state 2) increase the retention of graduates of the College of Medicine for practice in Arkansas by increasing the number of in-state postdoctoral residency positions 3) increase the number of physicians providing primary medical care (Family Practice, Internal Medicine, Pediatrics) in the state through the provision of high quality postgraduate residency training opportunities in these fields and 4) provide continuing education activity and programs for physicians and other health professionals in practice.

Included within each fully developed AHEC are: a faculty of both full-time and part-time (practicing) physicians, community hospitals, an ambulatory family practice teaching center, a medical library, audio visual equipment, lecture and conference rooms, other teaching facilities, and an administrative staff.





El Dorado

Warner Brown Hospital, El Dorado

Union Memorial Hospital, El Dorado

The El Dorado AHEC covers the South Arkansas area, which is defined as Ashley, Bradley, Calhoun, Columbia, Dallas, Ouachita, and Union Counties. There are two hospitals at El Dorado, one each at Camden, Crossett, Hampton, Fordyce, Magnolia, and Warren. Currently, emphasis is being placed on electives for senior medical students and nurse-practitioner students, junior medical student Preceptorship Program, and continuing education for physicians and nurses. A residency in Internal Medicine is offered as an elective for rotation. Developmental plans are actively under way for establishment of a free-standing Family Practice Residency in El Dorado. Jacob P. Ellis, M.D. is Director of AHEC-El Dorado.

Pine Bluff

AHEC-Pine Bluff was established in September, 1973, and since April, 1974, has had successful rotations for UAMS medical students and internal medicine residents. Donald L. Miller, M.D. is director of AHEC-Pine Bluff, with offices located in Jefferson Hospital. The hospital is a 315 bed facility, with a medical staff of 83 physicians. Medical and audiovisual libraries are located in Jefferson Hospital and staffed by UAMS trained librarians. The AHEC-Pine Bluff Family Practice Residency Program is directed by James A. Lindsey, M.D., and first accepted residents July 1, 1977. The Medical Social Work Education Program is directed by Carolyn N. Sanders, ACSW, and offers one year of field training for graduate social work students in conjunction with UALR. (Picture of Hospital on the following color page.)

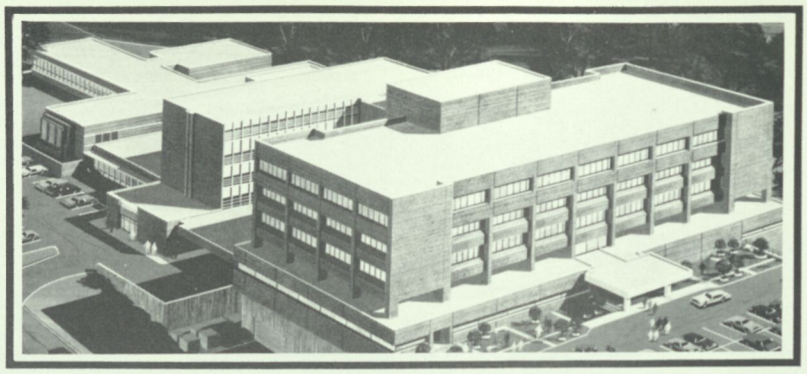
Monitors In Intensive Care Unit

Fort Smith AHEC Office

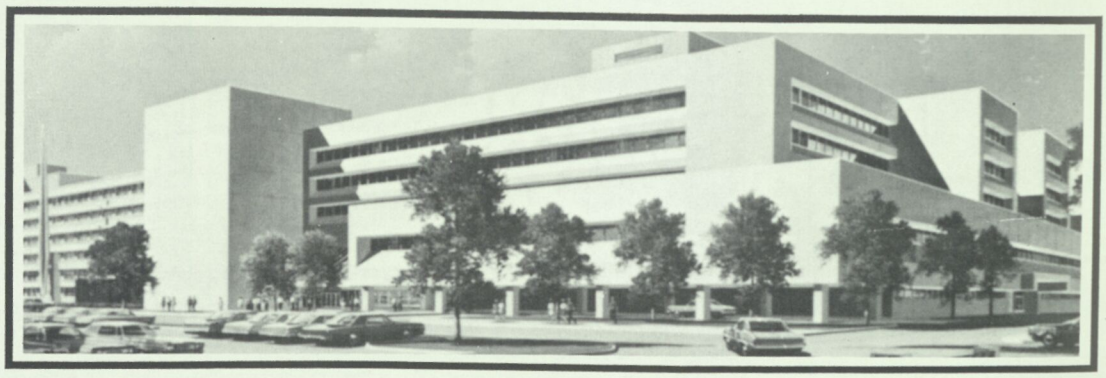
Fayetteville



Washington Regional Medical Center, Fayetteville

The Northwest Arkansas AHEC at Fayetteville was established in November, 1974, with the appointment of Lee B. Parker, Jr., M.D. as AHEC Director. In February, 1975, Dr. James K. Patrick, M.D., was appointed Director of the Family Practice Residency Program which is based in the AHEC at Fayetteville. This program, which began July, 1975, incorporates the facilities of Washington Regional Medical Center, Fayetteville V.A. Hospital, Fayetteville City Hospital, and Springdale Memorial Hospital. Cumulatively these hospitals represent a total of 692 beds with an average census of 559 patients and 82 physicians who serve on the staff of the program.

Fort Smith

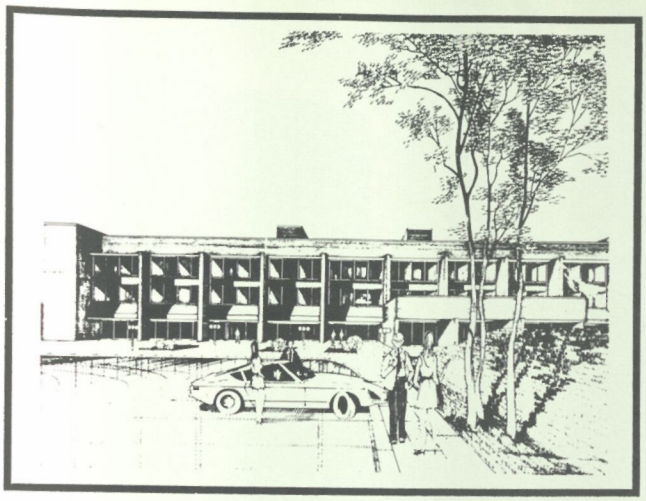


Sparks Regional Medical Center

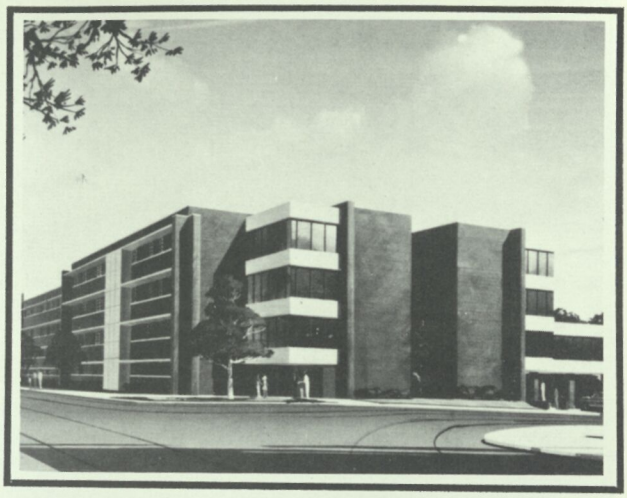
St. Edward Mercy Medical Center

The Fort Smith AHEC, under the directorship of Dr. John R. Williams, provides electives in most of the major specialty and subspecialty areas. The excellence of this experience is due to the quality of the medical community, 165 in number. Sparks Regional Medical Center, which is currently expanding to 681 beds, and St. Edward Mercy Center, which has recently increased it's capacity to 339 beds, demonstrate the progressive nature of the area. The Family Practice Program, under the leadership of Dr. David Busby, is now in it's third year with fourteen residents, six second-year and eight first-year.

Jonesboro



Craighead Memorial Hospital, Jonesboro



St. Bernard's Hospital, Jonesboro

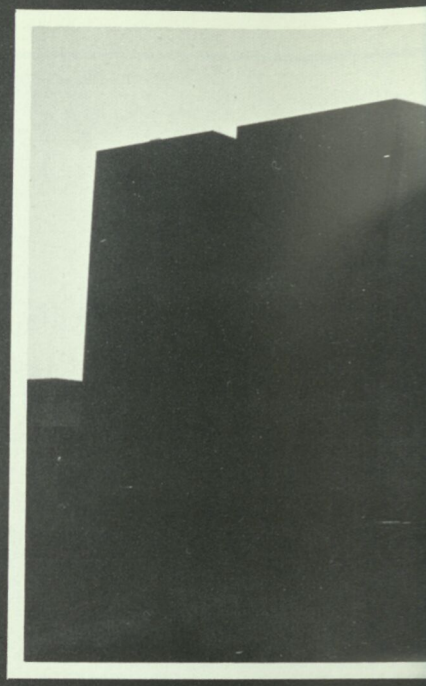
The Jonesboro AHEC, established in December of 1974 and directed by Robert S. Cohen, M.D., offers elective programs for senior medical students in almost 20 specialty fields. The facilities there include St. Bernard's Hospital, a 240-bed hospital, and Craighead County Memorial Hospital, which are served by 62 physicians. The trade area of over 300,000 persons also benefits from a mental health center which has both in patient and out patient facilities.

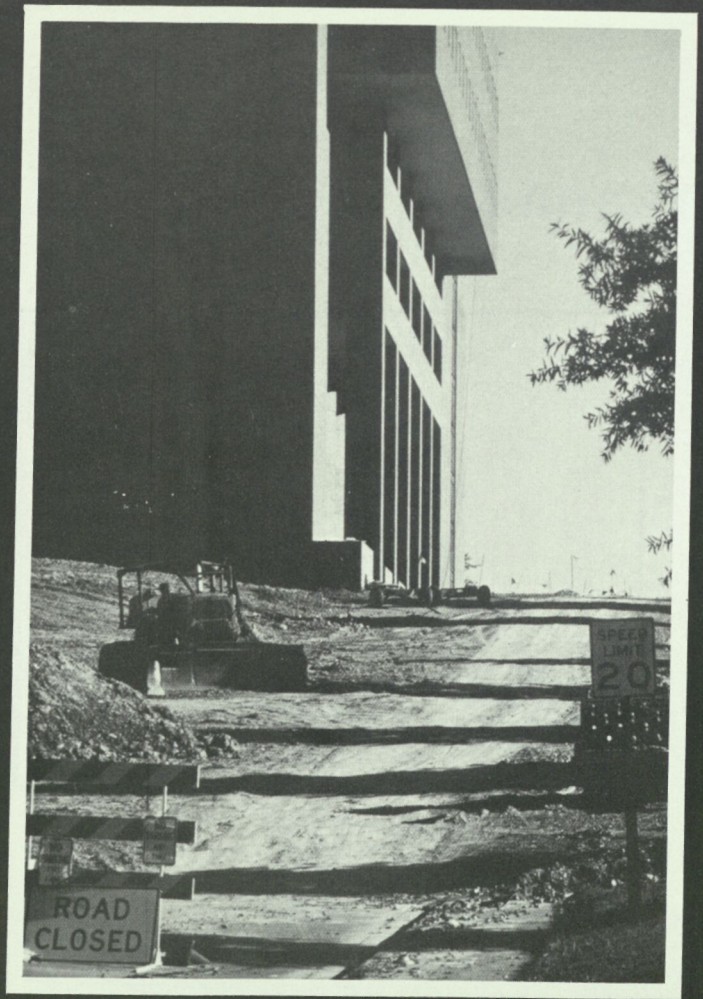
Texarkana

Wadley Hospital, Texarkana

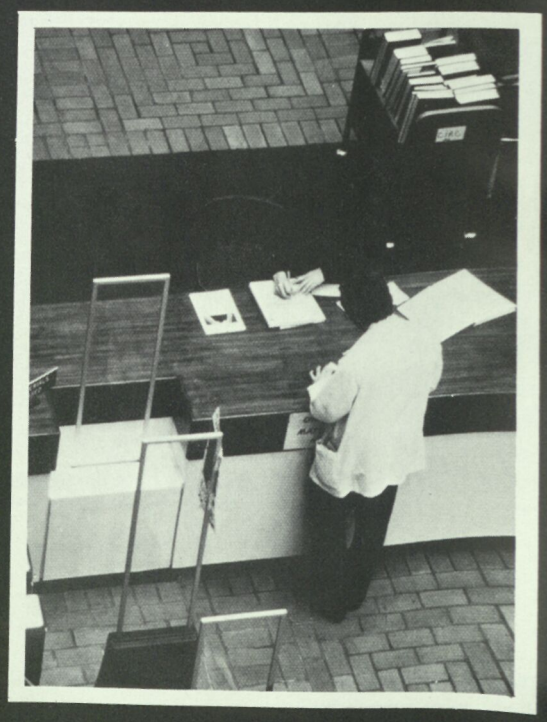
St. Michael Hospital, Texarkana

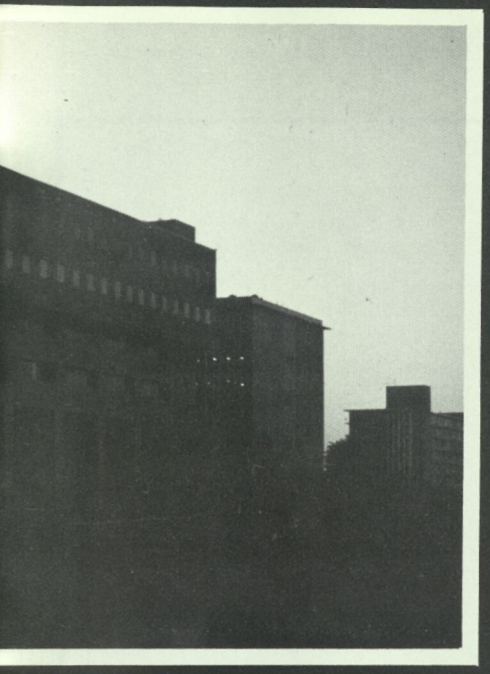
The Texarkana Area Health Education Center was established on August 1, 1975, with James B. Kittrell, M.D., appointed as its director. The AHEC provides elective courses to senior medical students through the facilities of St. Michael Hospital and Wadley Hospital. These hospital facilities represent a total of 526 beds. Other health facilities available to the program include 7 nursing homes, 8 clinics, 1 Crippled Children's Treatment Center, and 1 Mental Health Center. Over 100 physicians are located in the community area.

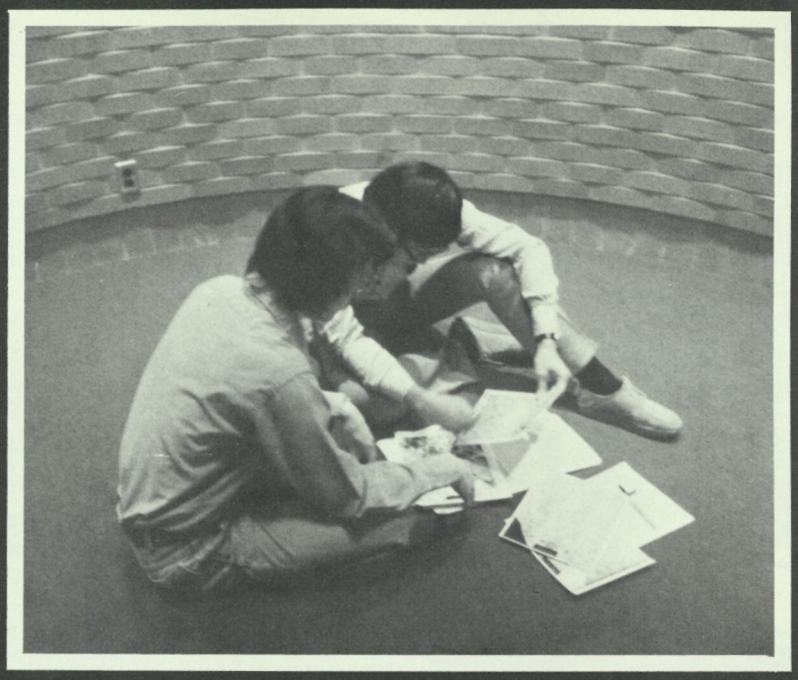




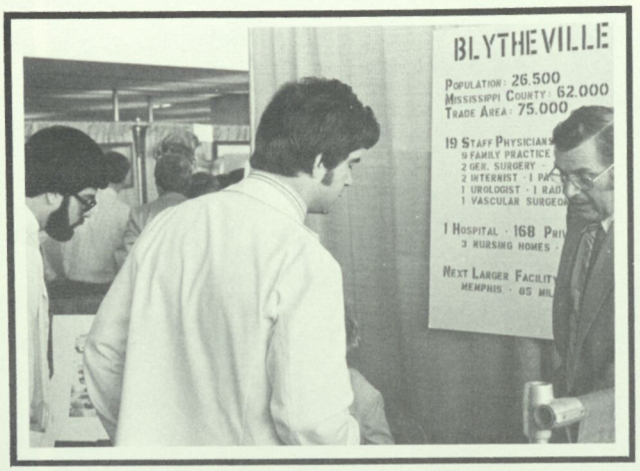
ED II

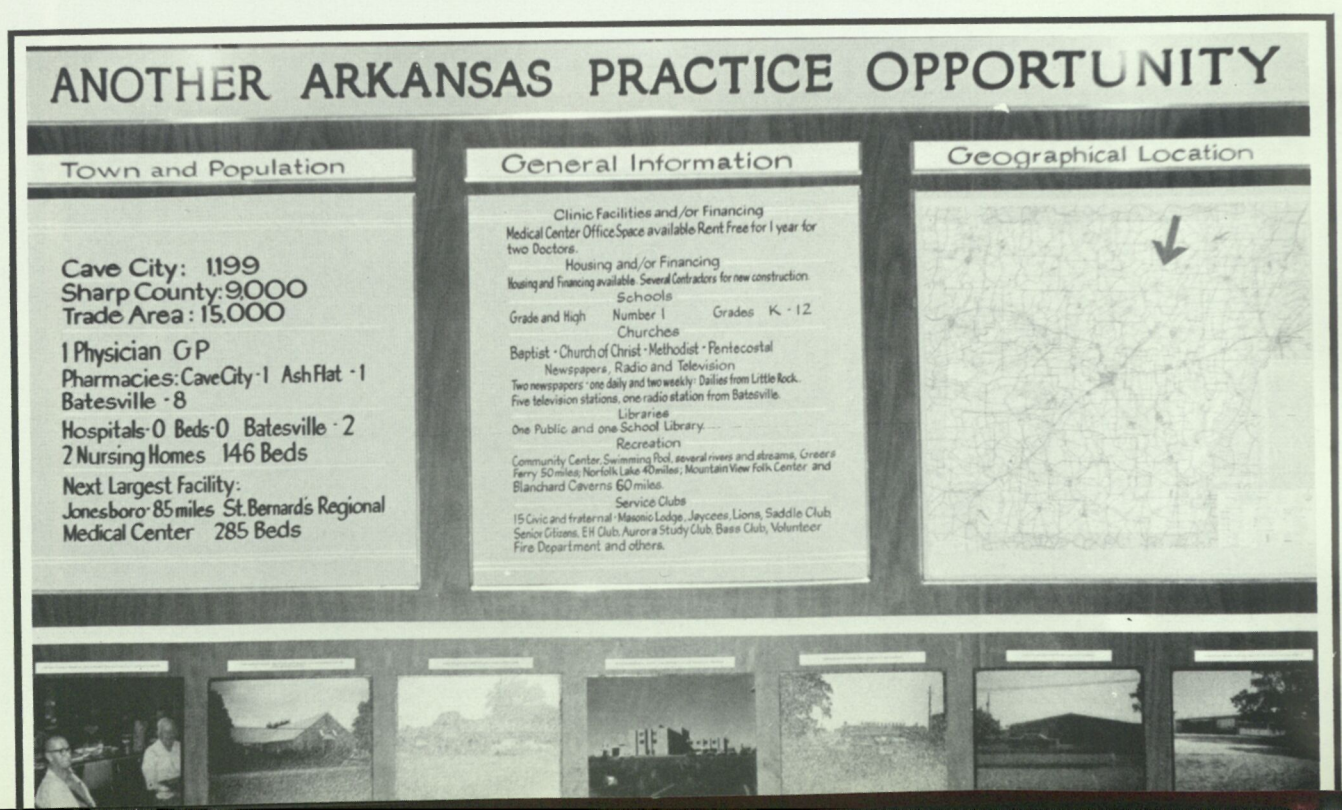


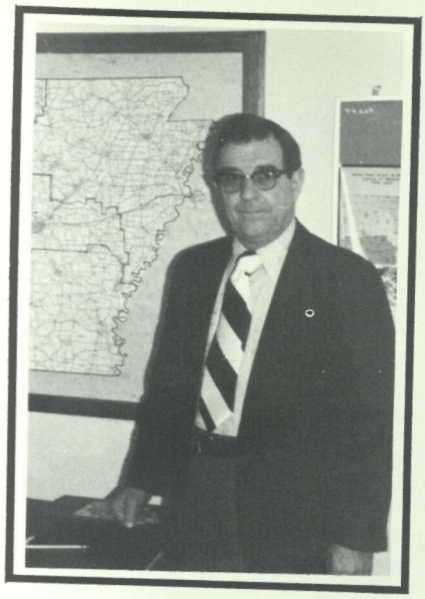




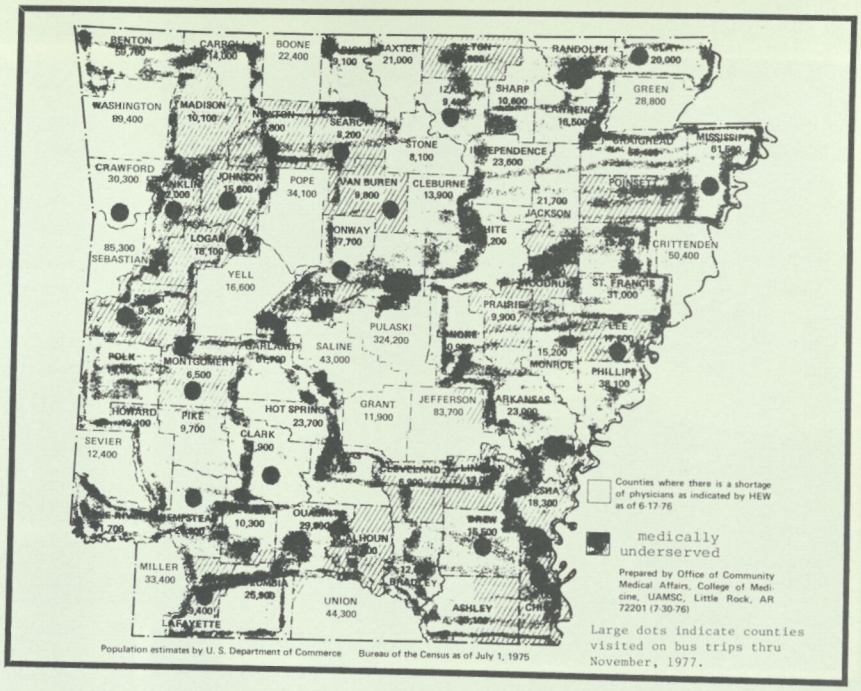
Selling Future Doctors On Arkansas







Bill North



For a community to participate in the Arkansas Practice Opportunities Familiarization program: 1. It must be a medically underserved area as defined by the Department of Health, Education, and Welfare. 2. Local physicians and community leaders must work in the planning of and participate in the actual visit. 3. Each community must accept the financial responsibility for meals and such entertainment as they wish to provide. 4. One community in each of the four quadrants of the state will be selected for a visit each year.

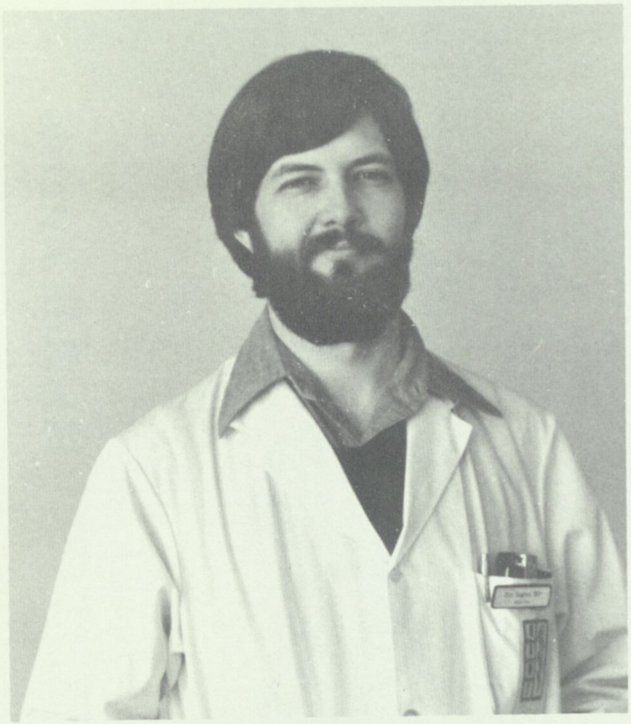
Flexible Interns

R.O.Y.

S.O.B.

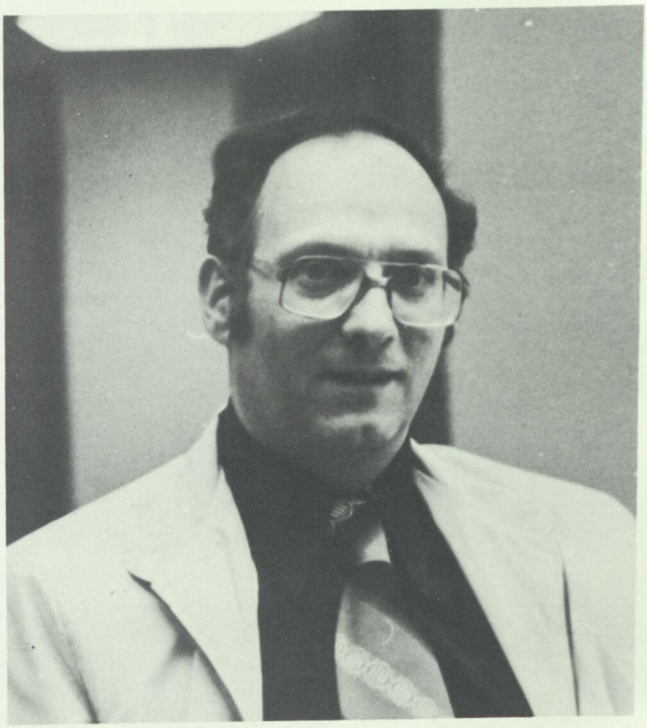
Each year the junior and senior medical students vote to select outstanding residents. The R.O.Y. stands out in their minds as the resident most typifying those qualities one looks for in a fine physician. The S.O.B. stands out in their minds as just what the title implies. These awards are given to recognize the excellence of the R.O.Y. and to whisper in the ear of the S.O.B. that perhaps all is not right.



Ron Hughes, M.D.
Medicine

Runners-Up

Steve Edmondson, M.D., Medicine
John Park, M.D., Orthopaedics
Honorable Mention:
Mike Hightower, M.D., Medicine
Tony Flippin, M.D., Medicine
Mark Bowles, M.D., Medicine



John Rinde, M.D.
Medicine

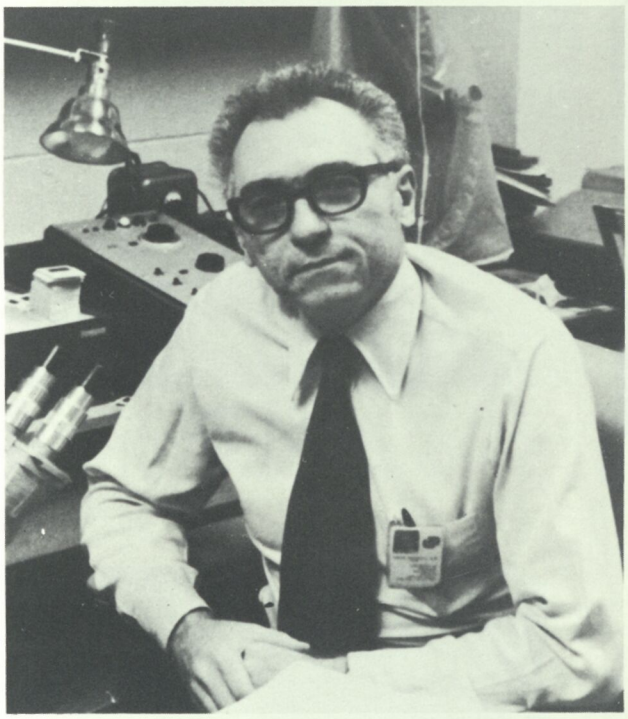
Runners-Up

Kathy Stuart, M.D., Medicine
Dishonorable Mention:
Mike Selby, M.D., Ob-Gyn

GOLDEN APPLES

The Golden Apple awards are presented each year to the two instructors which we, the medical students of U.A.M.S., feel most exemplify the ideals we look for in our teachers. These awards are not meant to represent a simple popularity contest. We feel that these two men have done more than any others in helping us in a quest to serve our fellow man. They have not only given unselfishly of their time to provide us with the factual tools we will need, but they have stood out as examples of what men can and should be.

Pre-Clinical

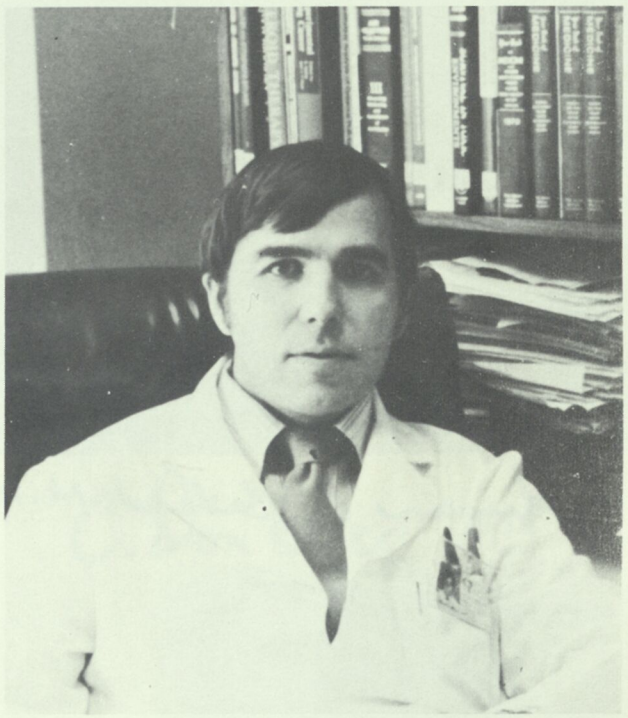


Albert E. Kalderon, M.D.
Pathology

Runner-Up

Michael E. Soulsby, M.D.
Physiology

Clinical



Roger C. Bone, M.D.
Medicine

Runners-Up

George L. Ackerman, MD., Medicine
Honorable Mention:
Dr. Robert Abernathy, Medicine
Dr. Galen Barbour, Medicine
Dr. Charles Nolan, Medicine
Dr. Bill Tranum, Medicine

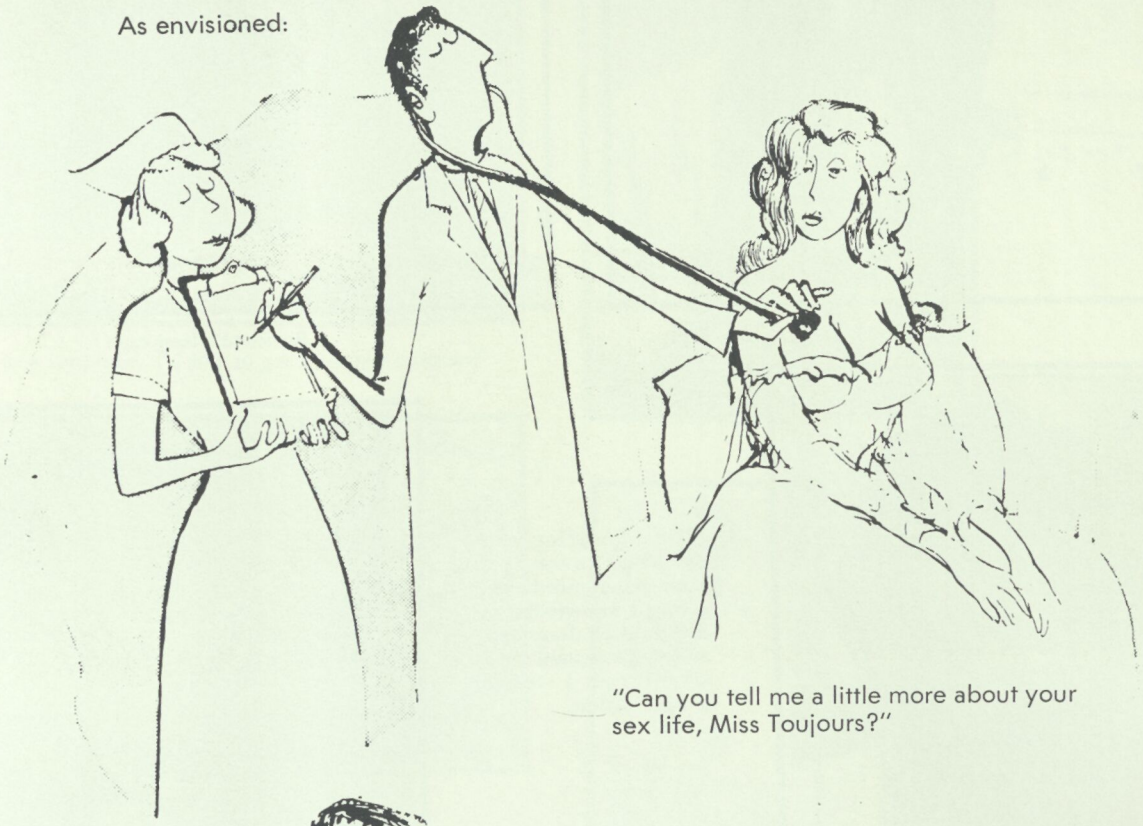
"The first two years of medical school bring you face to face with absurdity . . . and the prospect of memorizing it."

Emerson

Sophomores

The first History and Physical in Physical Diagnosis course.

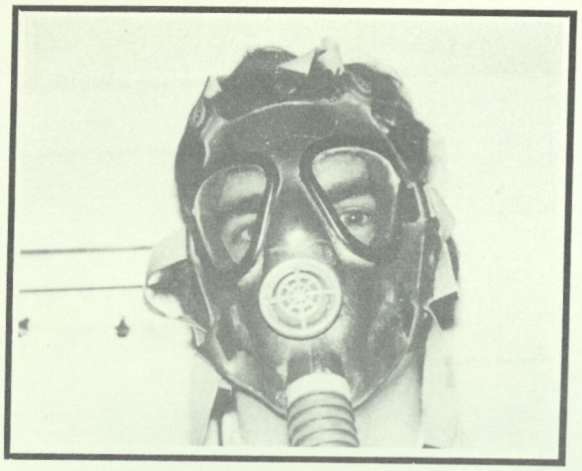
As envisioned:

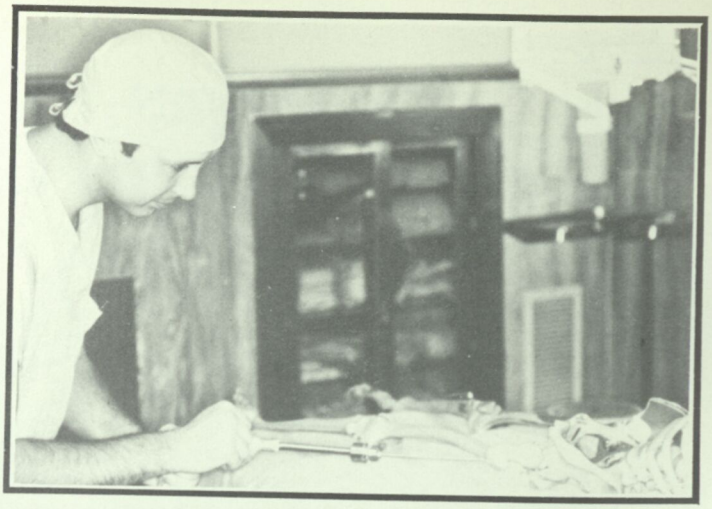


"Can you tell me a little more about your sex life, Miss Toujours?"

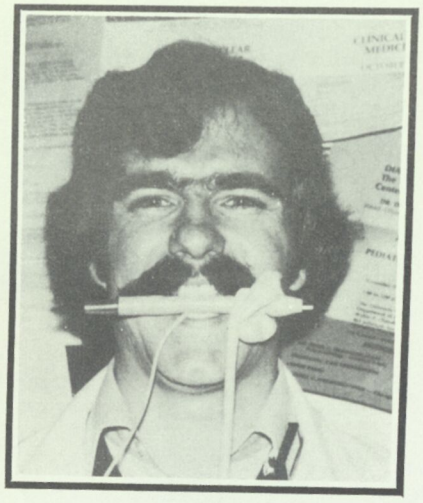
As it happens:

"I *said,* have you ever had melena? *Melena!* Stools ever been tarry? No, not "sorry," tarry! I said *tarry!* What I mean is, have you ever had blood in your BM's? No, you don't understand. What I want to know is: do you ever poot black? Poot. POOT! Ever poot black?"

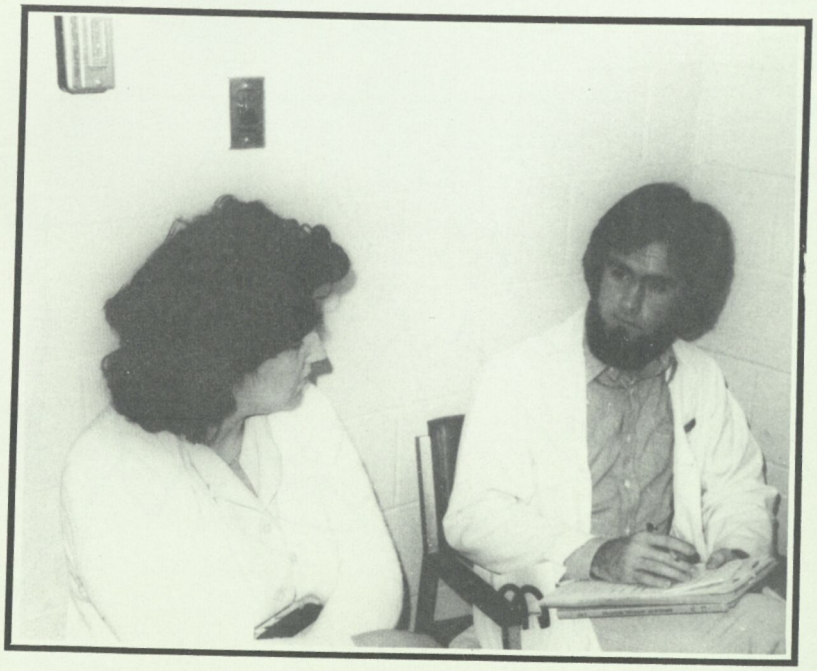




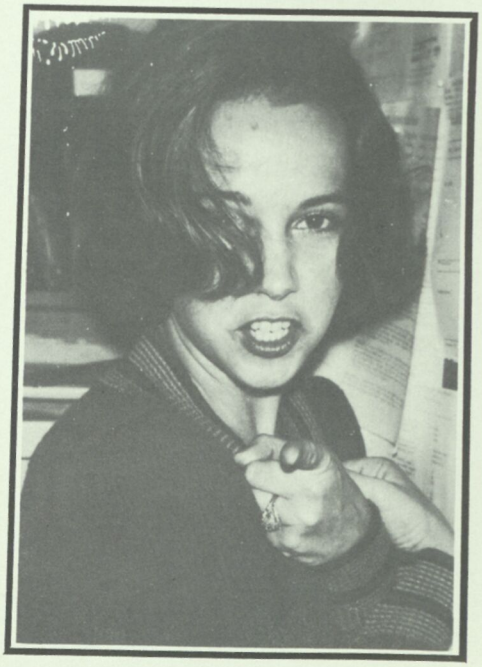
Resident's first case



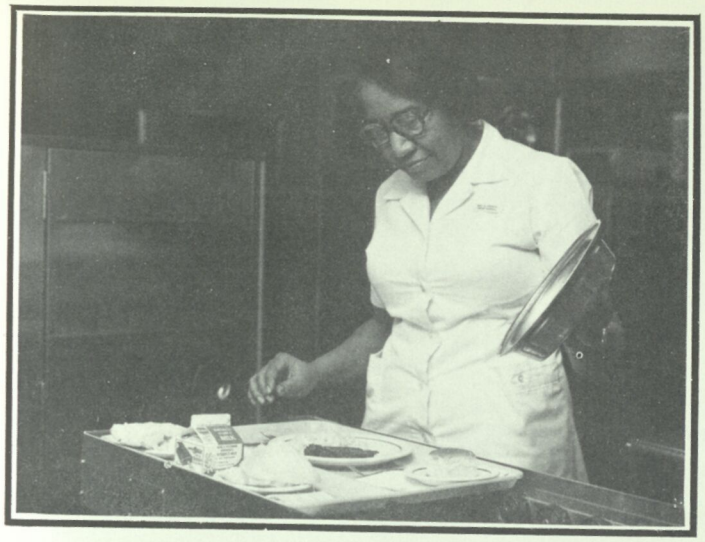
"The practice of radiology involves a keen experienced eye, a broad knowledge of differential diagnosis and the constant possibility of a coffee break." Anon.



"Do I even look like I believe that, lady?"



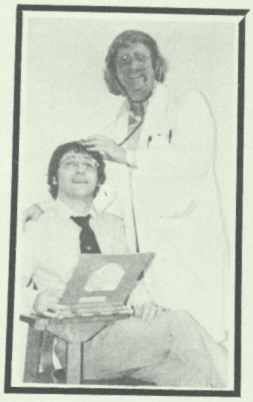
Cat Ballou



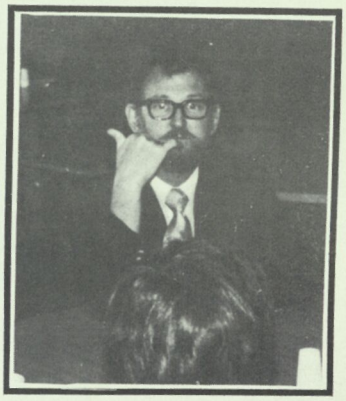
"If they call this soul food, I'd like to get a second opinion."

"Fresh Juniors?"

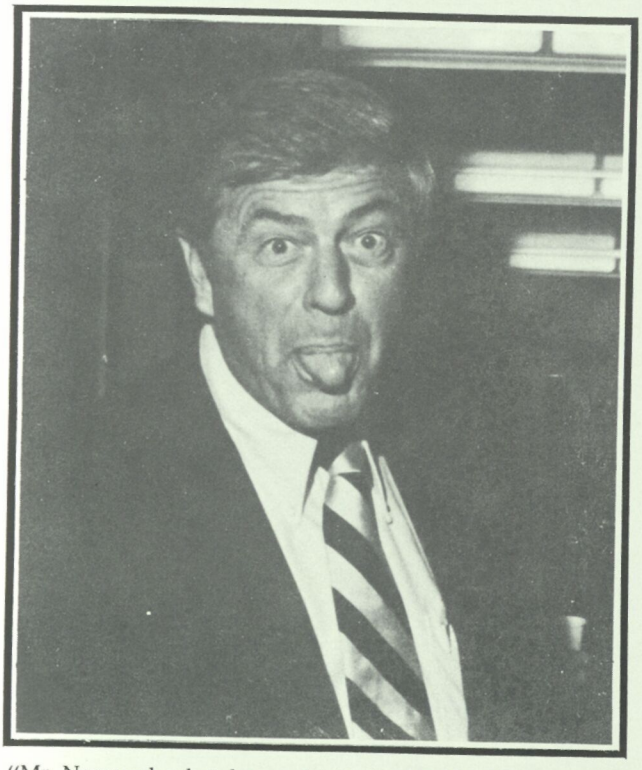
Recovery Room on a Bad Day



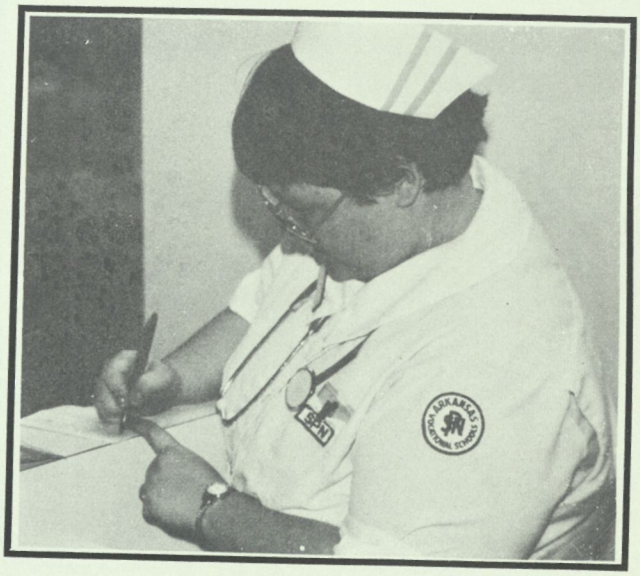
"Yep, There's a Bruit!"



If you are going to pick'em, you may as well eat'em.



"Mr. Norwood, what do you think about U.A.M.S. parking?"



"Let's see, that's 2 pizzas, 3 cheeseburgers, 2 fries, and 30 cc Maalox p.o. prn."

Sharon Becton, Treasurer

Deborah Chudleigh, Parl.

Janet Brizzolara, Historian

Medical Dames is an organization whose membership is composed of the wives of Medical Students. It serves as a source of information to its members and helps prepare them to accept their responsibilities as wives of physicians. It also serves to create a social atmosphere in which friendships among the wives of Medical Students may be created, while providing services to the community.

Senior Wives: L to R, Standing: Brenda Blackburn, Vickie Wilson, Margaret Taylor, Glenna Farrow, Denise Kemp, Nancy Clark. L to R Seated: Janie Hilburn, Sharon Hester, Jackie Bryant, Sharon Cagle, Barbara Bridges.

Junior Wives: L to R, Standing: Seely Lucas, Mary Dailey, Janet Jordan, Cheryl Eck, Glenda Gresham. L to R, Seated: Sharon Becton, Claudia Eaves, Valerie Wells, Toni Silverman, Cheryl Pevehouse.

Sophomore Wives: Row 1: Janet Brizzolara, Dyan Braden, Kathy Meredith, Elayne Zellmer, Ann Nixon. Row 2: Judy Williams, Sara Rounder, Cecile Sheppard, Melissa Bell, Julia Robinson, Carol Becton, Cassie Jean. Row 3: Donna Jacks, Pam Cheyne, Debbie Walsh, Charlee Minor, Hsui Ying Nichols, Pam Barton.

POCAHONTAS

Randolph County Memorial Hospital

Population 5,800. Trade area population approximately 25,000.

An opportunity exists in Pocahontas for a general surgeon family physicians, and most primary care physicians. Office space is available either for solo practice or possible partnership.

It has a 33-bed general hospital and a skilled-care nursing home.

Pocahontas is located 40 miles from Jonesboro, which has a population of 35,000. Many rivers and lakes are easily accessible for recreation.

This growing city of Pocahontas offers many opportunities for a rewarding practice in an ideal semi-rural community.

ATTENTION PHYSICIANS

Why not practice medicine in Stone County where only two physicians are trying to provide for the health needs of 9,000? Our retirement area is growing fast because of great outdoor recreation, the Folk Center, and Blanchard Caverns. Our 48 bed hospital and the community would support at least two more physicians. Call collect 269-3217.

Al Schiefer, Administrator
Mountain View General Hospital
Mountain View Arkansas.

Going Into Practice?

Consider **CORNING,** Arkansas

* 2 clinic facilities available now.
* The chance to join a group, association or to establish your own practice.
* Certificate of Need approved for a 40-bed hospital at a cost of 2.1 million dollars. Further approved through the Department of Health, Education and Welfare, Title 6 dated April 15, 1976.
* Located in Northeastern Arkansas on the 25,000 acre Black River Game and Fish Refuge.
* Airport with 3,000 foot lighted runway.
* I.C.F., 124 bed nursing home.
* 5 industrial factories.
* School system member of North Central Association.
* Olympic size swimming pool and tennis complex.
* Population: 3,600

YELL COUNTY HOSPITAL & SOUTHERN YELL COUNTY

Congratulates This Years Seniors

&

Offers you an excellent professional opportunity.

Yell County Hospital, located at Danville, is a 57 bed general hospital offering equipment and services unexcelled by an small hospital in Arkansas.

Danville is equal distance from Fort Smith and Little Rock. Fort Smith, being seventy-five miles to the Northwest and Little Rock eighty miles to the East. Sixty miles South lies beautiful Hot Springs.

Four of Arkansas' most beautiful and popular lakes lie within thirty miles of Danville. Majestic Mtn. Magazine, Mtn. Petit Jean and Mtn. Nebo may be seen in the distance, along with many other less well known mountains.

Danville is a serene, but progressive community that offers unique opportunity.

IF YOU ARE SEARCHING FOR THAT SOMETHING "SPECIAL", BE OUR GUEST FOR A DAY AT YELL COUNTY HOSPITAL AND LET US SHOW YOU BOTH OPPORTUNITY & BEAUTY

LAWRENCE MEMORIAL HOSPITAL

LAWRENCE MEMORIAL HOSPITAL, established in 1960, is a 48 bed acute care health facility, fully accredited by the Joint Commission on Accreditation of Hospitals and licensed by the Arkansas Department of Health. Its services include two fully equipped operating suites, one labor-delivery room, an eight bed bassinette nursery, two CCU beds with expansion going to six which will include three ICU beds, Emergency Room services, general radiological and pathology services, EKG, Inhalation Therapy, Pharmaceutical Services, dietary services and twenty-four hour comprehensive Nursing Services. The institution also maintains a 104 bed long-term care facility. Principally six physicians, all general practitioners, serve the institution. Their median age is 38. The facility is administered by a recent graduate of Washington University School of Medicine, Graduate Program in Health Care Administration. The Community is in great need of two general surgeons and two OB-GYN physicians within the next two years. Complete office facilities are available immediately in the CommunO ity. Group practice is possible.

HELP HOPE!

Hope, an outstanding community of 20,000 in Southwest Arkansas, has only nine physicians. Of these, four are 65 or older and ready to retire. This means that the present doctor/patient ratio of 1:2220 will soon be even more lopsided.

Hempstead County Memorial Hospital is an eighty bed, short-term general hospital. We are now renovating the original building, and adding a new wing (20,000 square feet) which will include sixteen private rooms, a six-bed intensive care unit, and an obstetrical suite. Key hospital employees include twelve Registered Nurses, two Registered Certified Respitory Therapists, two Certified Registered Nurse Anesthetists, five Medical Technologists, two Registered X-Ray Technologists, and a full-time Pharmacist. Equipment or services include a two-bed intensive care unit, a two-bed pediatric department with Ohio Pediatric Aerosol Tent, Dupont ACA with a capacity of sixty-two tests, Blood Gas Machine, Electrophoresis Machine, and two X-Ray Machines with image intensifier and Tomagraphic attachments.

If you want to help us, get in touch with Don Abbott, Administrator, Hempstead County Memorial Hospital, 1900 S. Main, Hope, ARK 71801. (501) 777-5766.

El Dorado, Arkansas 71730
REGIONAL MEDICAL CENTER FOR SOUTH ARKANSAS

CONSIDER EL DORADO — There is a real need in South Arkansas for additional physicians. Our medical community covers nearly every specialty area. Although Warner Brown Hospital is housed in a new, well-equipped 181 bed facility, we have been serving this community of 26,000 since 1919. We conservatively estimate the population of our drawing area to be 80,000. The number of admissions for FYE June 30, 1977 was 5, 830 and the number of patient days was 44, 810.

As the avid reader of yearbook farewells knows, it is customary to draw a comparison between the difficulties attendant upon the production of a yearbook and the miseries and discomforts of gestation, labor, and childbirth.

To continue in the tradition, then, let us say that we started with the pride and joy of newly expecting parents; this soon evolved into a drudgery similar to daily "morning sickness"; and ending the third trimester, we encountered fetal dystocia.

Certainly, we cannot claim all the blame for this bastard child, and therefore, we should give due credit to the attending obstetricians, for their spectacular wielding of the high forceps:

Our hard working 1978 Caduceus Staff
Lynn and Rodney at Pinkey's Photography
Ken Michaels and the Medical Photography Crew
Bev Woods and Tish Talbot
Mrs. Louis K. Hundley
Suzanne Mathews, Wanda and Nan
Doug Mamby and Cissy for the front endsheet
Nancy Miller for the Radiology Pictures
Tom Walker for his patience
Abe Buckley
Parke-Davis for their permission to use the pictures from "A History of Medicine in Pictures" for our faculty section. The project is written and directed by George A. Bender, painted by Robert A. Thom.

Thank You,
Rob and Marilynn Porter
